with Andrew Sartori

Basel, 16 May 2019

The History of Economic Thought as a Problem of Global History

Andrew Sartori is Professor of History at New York University. He obtained his PhD from the University of Chicago in 2003 and has since published several books. His latest, «Liberalism in Empire», was published with the University of California Press in 2014. He is co-editor of the «Cambridge Texts in the History of Political Thought» with Quentin Skinner.

Andrew Sartori's research focuses on modern South Asia as well as the history of capitalism and economic thought. In his lecture at the Europainstitut, he will speak on the «History of Economic Thought as a Problem of Global History».

Place: Europainstitut / Institute for European Global Studies, Gellertstrasse 27, Basel, Seminar Room

Time: 16 May 2019, 14.30h
